## Sell Your Gear

B&H has been creative professionals' #1 choice when it comes to buying photo, video and audio gear for nearly 50 years. But did you know we are also the leader in buying used camera gear? We offer the same unmatched customer service and top value for pre-owned equipment.

We buy [DSLR](#) and [mirrorless digital cameras](#), [35mm film cameras](#), medium format cameras, classic rangefinders (supervised by onsite Leica experts), lenses, video cameras and even select pro audio gear such as microphones, wireless mics, portable recorders and mixers from all your favorite brands (they're our favorites too). We welcome equipment from Canon, Nikon, Sony, Olympus, FUJIFILM, Pentax, Hasselblad and more.

At B&H we always put the customer first and will assist you every step of the way. Our team of experts has decades of experience in the used business and will start by quoting you top dollar for your gear. Once you accept the quote, we will email you a free prepaid shipping label and upon evaluation of your gear—quickly and efficiently—send your payment. Our process is simple and easy.

If you want to sell us old accessories as well, we buy everything from camera bags and rigs to LEDs, [tripods](#) and stabilizers.

We unfortunately do not buy used 8- or 16mm cameras, computers, printers, scanners, televisions, monitors, mobile devices, [drones](#) or [surveillance equipment](#). If you have non-photographic electronic equipment to sell, please feel free to inquire with us on our purchasing policy.

Our online quoting system is ready and waiting whenever you want to sell your gear. You may also contact us via phone or email to sell your used camera, photo, video and audio gear. Or if you're in the neighborhood, stop by our NYC SuperStore's trade-in counter at 366 W. 34th Street for an evaluation.
